

Hammond Power
Solutions Inc.

March 16, 2020

Certificate of Compliance – REACH Declaration

Hammond Power Solutions Inc. is an environmentally responsible company. Hammond Power Solutions is in compliance with articles supplied into the European Union in accordance with:

Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

All transformers and reactors supplied by Hammond Power Solutions Inc. meet this regulation under normal operating conditions. Therefore, registration of these transformers and reactors are NOT required under REACH.

Furthermore, all transformers and reactors supplied by Hammond Power Solutions Inc. do NOT contain any of the Annex XVII substances, in the conditions of restriction, or any Substances of Very High Concern (SVHC) in concentrations above 0.1% weight by weight, i.e. 0.1% of transformer or reactor weight, in accordance with the Restricted Substances List and SVHC Candidate List published on the European Chemicals Agency (ECHA) website up to and including **16 January 2020**.
