As far as Eaton's obligations regarding the EU REACH-Regulation are concerned, we have set up a process to evaluate whether Substances-Of-Very-High-Concern (SVHC) are contained in products supplied to our customers. To our best current knowledge, we have no information available that any of the currently listed SVHC is contained above 0.1 mass percent in the products attached to this declaration. However, should above mentioned status change or we retrieve information from our suppliers that any SVHC above 0.1 mass percent is contained in products supplied to you, then we will inform you according to the requirements as outlined in the article 33.1 of the REACH regulation.

This declaration is based on information available to us. It refers to the products at the date of issue. We make no express or implied representations or warranties with respect to the information contained herein."

Sincerely,
