**Subject: Manufacturer Declaration**

Thank you for inquiring about Eaton's ethical, social and environmental standard practices of sustainability. We are very proud of our efforts and are glad that your company is also committed to these practices. Eaton is fully committed to meet all regulatory requirements applicable to its products and carefully monitors new- and upcoming legislation that could affect Eaton and its products. Eaton has taken the necessary steps for implementing these product requirements in a timely manner.

Eaton Corporation declares the following for the product(s) shown below:

170H3005	170M4145	170M4246
170H3006	170M4146	170M5885
170M4141	170M4191	170M6081
170M4143	170M4195	170M6083

As far as Eaton's obligations regarding the EU REACH-Regulation are concerned, we have set up a process to evaluate whether Substances-Of-Very-High-Concern (SVHC) are contained in products supplied to our customers. To our best current knowledge, we have no information available that any of the currently listed SVHC is contained above 0.1 mass percent in the products attached to this declaration. However, should above mentioned status change or we retrieve information from our suppliers that any SVHC above 0.1 mass percent is contained in products supplied to you, then we will inform you according to the requirements as outlined in the article 33.1 of the REACH regulation.

This declaration is based on information available to us. It refers to the products at the date of issue. We make no express or implied representations or warranties with respect to the information contained herein."

Sincerely,

Gareth Cooper
