Subject: Manufacturer Declaration

Thank you for inquiring about Eaton's ethical, social and environmental standard practices of sustainability. We are very proud of our efforts and are glad that your company is also committed to these practices. Eaton is fully committed to meet all regulatory requirements applicable to its products and carefully monitors new- and upcoming legislation that could affect Eaton and its products. Eaton has taken the necessary steps for implementing these product requirements in a timely manner.

Eaton Corporation declares the following for the product shown below:

PV-1A10F	PV-10A10F-CT	PV-100A-01XL	PV-125A-2XL-U-15	PV-315A-3L-BU-15

The product(s) is considered an electrical or electronic equipment (EEE) in the meaning of the RoHS Directive. We would like to inform you that to the best of our current knowledge the product(s) do not contain any of the restricted substances as per the RoHS Directive or the presence of such a substance is exempted as outlined in the Annexes III/IV.

Therefore, the product(s) are in conformity with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment as well as their subsequent amendments in place at the date of this declaration.

This declaration is based on information available to us. It refers to the products at the date of issue. We make no express or implied representations or warranties with respect to the information contained herein.

Sincerely,

Gareth Cooper

Technical Sales Engineer
